Westerly Episcopalians Celebrate

Commemorate Diamond Jubilee of Church—Paul H. H. Hillard Aide-de Camp to National Commander—Rev. C. A. Leddy of Mystic Injured in Auto Accident—No-License Rally—Weddings—Lodge News—Obituary Notes.

The courtmartial charges preferred against Capt. Walter Harrington, range officer of the Rhode Island national guard, has resulted in a change of conditions of record making at the state range at Rumford. In order that those in charge of the range work of the militia may be entirely independent of all other organizations, four new detachments have been formed, branches and appointed officers and sergeants. The four new sergeants have had considerable experience in range work and are John T. McGowan, Secord company, C. A. C.; Sergt. Harvey B. Fish, Thirteenth company, Oscar W. Scott, Seventh company; David A. Matthews, light battery B, field artillery.

The military examining board of the Rhode Island national guard will hold several sessions this month for the examination of officers who have received appointments as to their qualifications for receiving commissions. The first session will be held in the state armory at Providence, November 11. Capt. Arthur N. Nash of Westerly, ordnance officer, has been ordered to appear for examination at this session.

Paul H. Hillard, adjutant of the Rhode Island national guard, has been appointed to the position of department commander for the state of Rhode Island, reappointed as aide-de-camp with rank of colonel on the staff of Commander in Chief Samuel R. Van Sant, Grand Army of the Republic. In the civil war of 1861, Hillard served in Company G, Twenty-first Connecticut Infantry. He enlisted August 26, 1862, and was mustered out with his regiment June 16, 1865. He is one of the most valued members of the organization.

A party of hunters bound for Waterville for two weeks' hunting on the eastbound train that arrived in Westerly last Sunday afternoon, and were due to arrive at their destination in Maine at 1 o'clock Monday morning, was made up of Major Hadad, A. Hall of New London, Reuben Potter of Norwich, Charles W. Comstock, Tryon Robinson and Edward C. Crawley, Wallingford. The party of hunters will join the party during the week.

There was a large attendance at the union missionary rally of laymen in the First Baptist church, Westerly, Sunday evening. Ex-Gov. George H. Utter presided and made the opening address. The other speakers were Edward P. Metcalf of Providence, president of the Atlantic National bank of that city, and B. G. Hooper, general secretary of the Young Men's Christian association, Providence. Women interested in missionary work held a meeting in the Broad Street Christian church.

Many former resident members of Christ Episcopal church of Westerly are in town to help celebrate the 75th anniversary of the establishment of the church here.

The anniversary exercises opened with special service Sunday evening, the feature of which was an historical anniversary sermon by Rev. William F. Williams, rector of the church. Before and after the sermon, the musical service included a carefully selected and well rendered programme by a choir of forty men and boys under the direction of Rowland W. Dunham, the solo parts being taken by John Nye, Joseph Randall and Charles Diney, soprano; Martin Randall, alto; Harry Coleman, tenor, and William Dove, bass.

This (Monday) evening there will be a parish reception in the Sunday school room at which Rt. Rev. William N. McVieker, bishop of the diocese of Rhode Island, will make an address. Rev. Mr. Williams will speak as representative of Christ church, and ex-Gov. George H. Utter will speak for the town of Westerly. Rowland W. Dunham, organist of the church, will render piano selections, and solos will be given by Miss Emma Noyes, soprano, of Boston.

Grand officers of the grand lodge of Odd Fellows, visited Narragansett lodge, No. 7, in Westerly, Saturday night, the party being composed of William H. Hall, grand master; W. H. Hovey, grand warden; William H. T. Mosby, grand secretary; Tristram Mowry, grand representative; Thomas J. Cavanaugh, grand marshal; Henry F. Whitney, grand conductor; William L. Perkins, grand herald; William Wheeler, district deputy grand master.

The Ever-Watchful.

The ever-watchful Woman's Christian Temperance union has voted to abolish the "Chauteauque salute" for sanitary reasons. This objectionable performance, as we understand it, consists in the waving of handkerchiefs. These have been industrially employed in holding up influenza germs or other bugs duly labeled in the medical cabinets after the fashion of a "Chauteauque." N. Y. means fun for the germs, but making chafed spots of folk. It is quite as praiseworthy to be down on disease germs as on the demon of strong drink, and consistent as well, and we are with the Women's Christian Temperance union in this business.—Springfield Republican.

EVIDENCE OF PROSPERITY

We have, from time to time, shown in our advertising, comparative statements of our condition. This, we believe, is of interest to the general public, and especially so to our customers, who have, by their patronage, contributed to our

GROWTH MEASURED BY DOLLARS.

The figures given are from our statements made public in response to the calls of the Bank Commissioners.

	June 9th, 1903	Jan. 11th, 1905	May 20th, 1907	Sept. 30th, 1909
Deposits	\$118,136.98	\$291,038.92	\$538,030.62	\$930,527.08
Assets	292,284.46	469,142.90	798,790.20	1,000,413.10

An increase of over 700 per cent. in about six years.

This development is particularly gratifying to us because of the fact that a very large proportion of this gain in deposits is new business created by our special effort and facilities and not attracted from other institutions, as is evidenced by the continual increase of deposits in every bank in Norwich.

GROWTH MEASURED BY SERVICE.

Increase of deposits result from growing balances in old accounts and the acquisition of new ones. We gauge our value to this community by the number of people we serve, and by the quality of the service, and we feel that the one attests the other.

June 9th, 1903, our depositors numbered 277 with deposits of \$118,136.98
Sept. 1st, 1909, our depositors numbered 1931 with deposits of \$930,527.08

The facilities that have secured these results are yours for the asking. They include ample security, prompt and courteous attention and equipment for every banking need.

In Response to Repeated Requests

for the convenience of our customers in Commercial Department, who need to protect Saturday receipts, and Savings Department customers who cannot call in usual banking hours, without loss of pay, this bank will

OPEN SATURDAY EVENINGS

beginning November 6th, 1909, from 7:30 to 9 o'clock, and on those days will close promptly at noon, giving Norwich the service rendered by many banks in the larger cities.

FOR CUTS AND WOUNDS

The first thing to do is to thoroughly cleanse the part that has been hurt with warm water to which has been added a few drops of Sulpho-Naphthol. It will stop the flow of blood, kill the pain, prevent ensuing inflammation and above all act as a safe-guard against infection.

CABOT'S SULPHO-NAPHTHOL

is a perfect germicide. It is the same "Liquid Cleanliness" that housewives pin their faith to in making everything clean and sweet around their homes. It is a medicine chest in itself.
